

# Service and Repairs

Because you take pride in your trailers, trust East for maintenance and repair services on-site for All Makes and All Models of flatbed, drop deck, dump and refuse trailers. Our services include wreck repair, body installation and service, trailer service along with brake and suspension service, and wetline installation and service.

## GENERAL REPAIRS

When it's time for a diagnosis, preventive maintenance or repair, trust East to keep you up and running.

We offer service for:

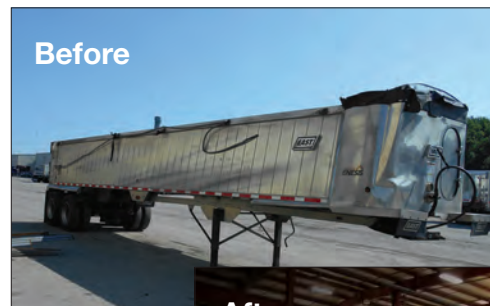

- Brake systems: ABS diagnostics and air systems
- Suspensions: Re-bushing and rebuilding, alignments and complete suspension replacement
- Floor repair and replacement
- Complete trailer refurbishing
- Frame straightening and repair

In addition to truck body installation, East can service and repair All Makes and All Models.

## WRECKS

From slight damage to complete rollovers, East specializes in All Makes wreck repair services that may be too large for some service facilities.

## **TRUCK BODY AND INSTALLATION AND HYDRAULICS**

We install your truck body and hydraulic wet lines in addition to decking, toolboxes, storage racks, strobe and work lights, fenders, lift axles and more.

***Customize your Truck or Trailer to Fit your Needs!***

The quality and thoroughness of our repair services is part of our continued commitment to our customers. You will gain peace of mind through our attention to detail and customer service.
