Trailer manufacturer East Manufacturing has expanded its East Elite Wheel-End Assembly warranty.

The East Elite Wheel-End assembly warranty was increased from five years or 350,000 Miles to five years or Unlimited Mileage. The Wheel-End Assembly is standard on all East aluminum trailer types and models.

Parts that make up the East Elite include Walther EMC's Dura- Light Hub, General Hyatt HM Bearing Cones, SKF Scot Seal Plus XL Seal and Retainer, Dual Dynamics Aluminum Hub Caps, Axiloc Unitized Wheel Bearing Nut System and it's filled with synthetic oil, which resists high-temperature breakdown.
