

# KEEP YOUR FLEET MOVING. RELIABLY. NOW.

## In-stock parts. Fast turnaround. Expert support.

*Downtime isn't just inconvenient, it's expensive. That's why the East Trailers Aftermarket Parts Distribution Center is built to deliver exactly what you need, exactly when you need it.*

**Serving dealers, fleets and trucking companies, all in one place.**

- **Extensive Inventory:** Thousands of in-stock trailer parts ready for immediate pickup or fast delivery.
- **Competitive Pricing:** Fleet pricing, volume discounts and real savings where it matters.
- **Fast Turnaround:** Same-day fulfillment on most in-stock items because waiting isn't an option.
- **Expert Support:** A dedicated parts team that gets it right the first time; no guesswork, no delays.
- **OEM + Aftermarket Options:** Flexible solutions to match your performance needs and your budget.

**FROM ROUTINE MAINTENANCE TO URGENT REPAIRS, EAST HAS YOU COVERED:**

- Trailer Parts
- Brake Components
- Suspension Systems
- Lighting & Electrical
- Hardware & Accessories

**SAVE MORE. MOVE FASTER. STAY AHEAD.**

- Inventory Reduction Sale – Deep discounts on select parts while they last.
- Bulk Buy Savings – Stock up and save on your most-used components.
- Fleet Accounts Available – Custom pricing. Priority service. Built around your operation.

**DOWNTIME COSTS MONEY.  
WE KEEP YOU RUNNING.**
